TRAINING/SKILLS

17 Years Stunt Performer – All aspects of stunts in front and behind the camera

Rigging – Flying, super powers, cable assisted high falls, explosions etc.

Fights – Experienced performing and designing all styles of fights from martial arts to bar brawls, weapons, hand to hand and wires

Vehicles - Planning scenes with vehicles, people and cameras for the most exciting situations captured safely. Worked with boats, helicopters, cars, motorcycles, Bicycles.

Parkour – As a very experienced free-runner I can help communicate ideas between directors and performers.

Motion Capture – 20 + games, movies and trailers performance experience.

Camera and Editing – I am very knowledgeable in camera angles and editing. I use this knowledge to help solve problems by storytelling with edits and angles
